BAY ST. LOUIS, MISS., FRIDAY, SEPTEMBER 5, 1947

VOL. 56 — No. 38

Observations... From Around Town

(BY JAY WHOZIT)

This week ushers in the month of September and with it the opening of schools all over the country, high school and college football practice and in some parts of the country the actual football season has begun, but here in Bay St. Louis and the South in general it is still very much summer, with the thermometer hovering near the 100 mark every day for the past week. . . . Congressman William M. Colmer, of Pascagoula, and well known locally, has definitely announced his candidacy to fill the unexpired term of the late Senator Theodore G. Bilbo. Colmer represents the sixth Congressional District of Mississippi, and has been a member of the House of Representatives for the past four years. . . . Bay St. Louis banks, like others over the country, were busy this week cashing GI Terminal Leave Bonds, this will put plenty of ready cash into circulation and the wiser business men will get their share before it is too late. . . . The interior of the Church of Our Lady of the Gulf practically completed, work on the outside is continuing in order to have the Church completely finished for the Centennial celebration in October, just about six weeks off. . . . the new five-mile stretch of highway being constructed on the outskirts of Bay St. Louis toward New Orleans is fast taking shape and barring mishaps should be ready for use by this coming winter. . . . it can't be any too soon because the old road is terribly rough and hard on the nerves of drivers. . . . Father Fahey was down from Hattiesburg this week visiting his relatives and many Bay St. Louis friends. . . . Father Fahey is compiling the history of Our Lady of the Gulf Parish in connection with the Centennial celebration. . . . the cake-walk sponsored by the St. Margarets Daughters, last week end, for the benefit of the American Legion Building Fund was a financial success and added a neat sum to the Legion's fund for their proposed new home. . . . it is gratifying to see our local organizations willing to cooperate with one another, this is as it should be. . . . with the opening of schools, we hope the city police will clamp down on traffic violators for the protection of our children who have to walk to and from school, especially at the noon hour. . . . special police should be added if necessary, because the saving of one child's life would be worth far more than what it would cost. . . . the Little Theater is already preparing for its next play, Claudia, which will be presented some time in October. . . . Bay High School will open its 1947 football season here on September 25 against Pascagoula.

Kiln Vocational High School Opens

The Kiln Vocational High School opened for the 1947-48 session on Friday of last week with a large enrollment. E. D. S. degree from the Mississippi Southern College and a Teachers College in Texas and took his Masters degree at Peabody College at Nashville. He is recognized in the educational circles in Mississippi and has held high positions. He will head the school and teach Mathematics and Science. Mrs. Smith will teach fifth grade and Miss Doris Cuevas will head the Commercial department. The other members of the faculty are as they have been for the past few years; Mrs. Norton Haas, high school English; Percy Gariga Coach and Social Science; A. L. FARMER'S CO-OP CREAMERY SOLD TO C. E. ROEMER

The New Orleans Bank for Co-operations report the sale of the creamery formerly owned by the Farmers Co-operative Association in Bay St. Louis, to C. E. Roemer, who owns and operates the Roemer Dairies of New Orleans.

Several months ago the Bank foreclosed the mortgage that it held on the property, and since the foreclosure have had several offers on the property, some of which were for the machinery, with a view of moving it to other localities. The officers of the Bank, however have held on with a view of selling the plant so that its operation could be continued in Bay St. Louis.

Mr. Roemer will operate the creamery in Bay St. Louis, and at the present time his plant superintendent is in Bay St. Louis interviewing producers throughout the County with a view of beginning operations.

The operation of the creamery in Bay St. Louis will mean much to the dairymen of Hancock County, and it is to be hoped that they and the people of Hancock County will lend their cooperation to the new owner.

Appeal From Library For Funds

The Tag Day drive for funds for operating expenses and purchasing of books up to date has tallied only \$333.24. The library appreciates what its friends did for it but feels that many who could and would contribute to this cause have overlooked the appeal. It is hoped that all who have not contributed will take stock of the situation and try to realize what this library means to the community and especially to the school age group. Those interested in the advancement of the town and think the library should be supported had an opportunity of joining a \$5, \$2, \$1 or \$0.50 group and joined none. Won't you reconsider this and come to the aid of the library. This is not a personal matter—this is supporting an institution which is a credit to your community. Please join one of these groups and send your donation now. It will go down in local history that through you the library was able to live.

Director And Cast Open For "Claudia"

Have you a long-suppressed desire to direct a play? Or take part in one? Or to help backstage to produce one? If you have or if you're simply interested in proving yourself a self patron and supporter of your Little Theater, be sure to attend the try-outs this Friday night, September 5th at 8 p. m. at the Carroll Avenue Playhouse. Experience is a good thing, but it's by no means necessary. The next play, to be presented in late October, will be the delightful comedy "Claudia." If you help with it in any capacity, you'll never forget!

Incidentally, you don't have to be a member of the Little Theater to try out for a part or to do off-stage work. All you have to be is interested.

WILLIAM M. COLMER ENTERS SENATE CONTEST

Sixth District Congressman Will Seek To Fill Unexpired Term of Senator Bilbo

William M. Colmer of Pascagoula, Congressman representing Mississippi's Sixth Congressional District, has announced his candidacy for the United States Senate to serve the unexpired term of the late Senator Theodore G. Bilbo.

WM. M. COLMER

Mr. Colmer has been a member of the House of Representatives for 14 years from this District.

He is a veteran of World War I. Was admitted to the bar in 1917, and in 1923 was elected County Attorney of Jackson County. In 1927 he was named District Attorney of this Judicial District and served until January 1933 in this capacity, at which time he assumed his seat in Congress.

He has been reelected to Congress 7 times, and is hopeful of realizing his life's ambition, to be elected to the United States Senate, in the general election to be held on November 4th of this year.

In announcing his entry into the race, Mr. Colmer made the following statement:

"After consultation with many good Mississippians throughout the state, I have decided to make the campaign for the unexpired term of the late and lamented Senator Bilbo, and at the same time to gratify a lifelong ambition to serve in the Senate of the United States.

"During my fourteen years' service in the House as the representative of that large section of Mississippi embraced in the Sixth Congressional District, I have looked forward after acquiring the necessary legislative experience to representing my native state in that august body where one's opportunity for effective and constructive service is greater.

"I take humble pride in the record that I have made in the House and the national recognition that I have received in that body. I feel that I have won my spurs and that the record I have made justifies me in asking the good people of my state to elevate me to the position which I now seek. Moreover, I believe that my service in the lower House of the Congress has demonstrated to the people of this state that I am a man of integrity and of high character."

RICHARD HUBBARD THAMES NAMED ASSISTANT COACH AT STANISLAUS

Richard Hubbard Thames, former line star at Mississippi Southern in Hattiesburg was signed early this week by Brother Peter as an assistant to Coach Pete Borge.

Thames comes to the Rockchawls well recommended by his many friends in and around Mendenhall, his native town, as well as a host of friends he has made at Hattiesburg.

Mr. Thames played varsity ball at Miss-Southern during 1941 and 1942. At the close of the season he enlisted to complete his College work. He played on the varsity as guard during the 1946 season.

During his service period Thames played with the Rhode Island Motor Torpedo Base team under the tutelage of Holavak, former Boston College star.

During the last spring he worked out with the Buffalo Bills of the All American Conference under the coaching of Red Dawson and Johnny Scaife.

Coach Thames got busy with the boys early Wednesday morning and afternoon. He has a winning personality and will certainly make himself at home in very short order.

Knights of Columbus Initiation Postponed

Due to unforeseen developments it has become necessary to postpone the Knights of Columbus initiation which was scheduled for this coming Sunday, September 7, 1947 at the Knights of Columbus Home on Main Street, Bay St. Louis, Miss., as announced by Grand Knight, Wilmer J. Thibaux. This decision was made at a regular meeting of the Council held Tuesday night, August 2, 1947.

The Grand Knight states that he regrets this postponement inasmuch as some of the candidates will be leaving for College but that he will make every effort to arrange a future date when they will be home for a visit.

Rat Poisoning To Begin September 5th.

On advice of the United States Public Health Service, the Hancock County Health Department postponed its rat poisoning campaign from August 15 to September 15.

Experts on rat control in the U. S. P. H. C. say that rats begin a fall migration in September and a 50 per cent greater kill can be expected during that period.

Poison will be distributed in Bay St. Louis and business houses in the County.

Bay Hi Being Renovated

Children entering Bay High Monday will hardly know the building as the one they attended last year. The rooms are all being painted and cleaned, with the halls being completely done over. The gym floor has been sanded and three coats of stain will be applied to it.

A new innovation this year is a maid to keep rest rooms clean and tidy during school hours.

Slightly Injured In Car Accident

Mrs. C. G. Moreau and Miss Julia Blaize suffered bruises and slight wounds when the car in which they were riding turned over on Gentilly Highway at Parish Road.

Miss Blaize was driving Mrs. Moreau's car when it suddenly became uncontrollable, left the road and struck the shoulder, hit a fence and turned over twice. The two women were extricated from the car by some men on the scene one of whom is a doctor in the Public Health Service who examined their injuries and pronounced them as slight.

Monsignor A. J. Gmelch who arrived at the scene shortly after the accident drove the ladies into New Orleans where they consulted their physicians and were again assured that they were not seriously hurt. They returned to Bay St. Louis with Monsignor Gmelch.

The car was a complete wreck and it is yet unknown what caused the car to leave the road as Miss Blaize is an experienced driver.

"KISS AND TELL" HILARIOUS SUCCESS

A combined audience of more than three hundred and fifty Little Theater enthusiasts enjoyed for three nights last week the laughter-packed comedy "Kiss and Tell" presented at the Carroll Avenue Playhouse by our local Little Theater. Without question, orchids are certainly due to Director Trudy Cieutat, her exceptionally fine cast, and her staff of workers, for "Kiss and Tell" turned out to be side-splitting entertainment from curtain rise to the final curtain calls.

Cast in the leading roles were Miss Pamela Floyd, as delightfully boy-conscious Corliss Archer; Mr. Ray Stieffell, as her adolescent boyfriend next door; Miss Virginia Seal and Mr. Joe diBenedetto, as the engaging young lovers; Mr. Martin Note, as the kid brother whose behavior his years; and Mr. John Bell and Mrs. Bedford Floyd, as the modern mother and father trying to keep pace with their younger generation. Equally capable and praiseworthy were the actors cast in the supporting roles: Miss Trudy Cieutat as the trouble-making Mrs. Pringle; Mr. John Gordon as handsome Private Earhart; Lt. and Mrs. William Freeman as the father and mother of an adolescent son; Mrs. Gladys Sellers as the long-suffering maid; Mr. Dennis Tonkel as Navy Uncle George; Mr. E. P. Kirkpatrick as the house-painter; and Mr. Donald Cole as good-fellow Robert Pringle.

The colorful and effective porch stage-setting was under the direction of Mrs. John Bell and Mrs. Bedford Floyd and the back-stage work was in charge of Mr. Alvin Wein-furter.

The Little Theater should be congratulated upon its successful programs of entertainment during the two years since its organization, and special congratulations are due all connected in any way with the presentation of "Kiss and Tell." Many unseen workers are needed to put on a good play, and Little Theater members and friends are urged to offer their services in preparing future productions.

NEWLY-ELECTED MEMBERS OF THE BOARD OF SUPERVISORS, HANCOCK COUNTY

JOSEPH C. JONES

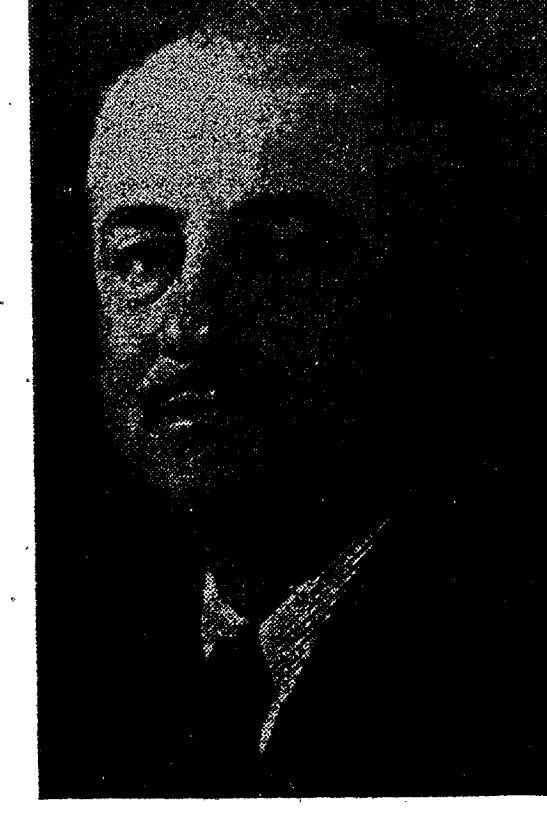

FRANK KELLAR

JOHNSON SHAW

JACK LOTT

ED. P. ORTTE

On January 5th, 1948, when the newly elected officers of Hancock County will be sworn in, the membership of the Board of Supervisors will be composed of two old members, one who has served a prior term, and two who will be newcomers to this body.

In beat one Joseph C. Jones, former sheriff of Hancock County was elected to succeed Charles B. Murphy, President of the Board, who did not seek reelection. Mr. Jones is 55 years of age and was born near Caesar, in Hancock County. He served as Deputy Sheriff for 16 years prior to his election as sheriff in 1927, and had been in the employ of the Weston Lumber Company for many years as quarter boss.

At the end of his term as sheriff he moved to Gainsville and since that time he has made his home there and has operated a fishing camp.

He married the former Miss Melissa Rester and they have eight children.

For the first time within the knowledge of the present day voters have the electorate of Beat Two named a supervisor in the first race who had more than one opponent and with a greater majority than Frank Kellar received on August 5th, when he was elected as Supervisor of beat Two. The elections in Beat Two for Supervisor are usually close, however Frankie left no doubt in the minds of the voters at the completion of the tally

for he had been elected by a substantial majority over 3 opponents. Mr. Kellar was born and raised at Aaron Academy and is 46 years old. The son of J. A. and Rebecca McQueen Kellar and is married to the former Miss Samantha Blackwell. He has been engaged in the cattle business since boyhood. He had been a candidate in the elections of 1939 and 1943 for the same office and was not successful.

In Beat Three Johnson Shaw was reelected to the office of Supervisor by a majority of two to one over his opponent Joseph L. Ladner. Mr. Shaw succeeded his father as Supervisor of Beat Three in 1943, being elected in the general election of that year as a write in candidate, his father having died within fifteen

days of the general election. Mr. Shaw is 44 years of age and is married to the former Miss Eunice Sweeney of Lumberton. They have five children and one grandchild. Mr. Shaw operates the Shaw bus line from Sellers to Bay St. Louis, and operates buses to Ingalls Shipyard at Pascagoula and to the McSmith Garment Factory at Gulfport.

In Beat Four Jack Lott has been elected as the new member of the Board, however he has had previous experience having served from 1936 to 1940. In 1940 he was named as commissioner under the motor vehicle commission and served in this capacity until 1946 when the duties of this office were transferred to the Motor Vehicle Commissioner.

Mr. Lott is a son of the late Mr. and Mrs. Andrew J. Lott of Kiln, and is married to the former Miss May Burks.

At the present time Mr. Lott is engaged in the pulp wood business. Ed. P. Ortte, Supervisor of Beat Five has been reelected to this third consecutive term. Mr. Ortte is the owner and operator of Ortte Theater in Bay St. Louis, part owner of the Legion Theater at Gulfport, and owns theaters in Pass Christian. He is very active in American Legion circles and at the present time he and Mrs. Ortte, the former Miss Grace Morris, are in New York City where they attended the National Convention of the American Legion. Mr. Ortte was elected as delegate to the convention representing the Mississippi Department.

AMERICAN LEGION NEWS

The Clement R. Bontemps Post No. 139, American Legion desires to take this opportunity of thanking St. Margaret's Daughters for their splendid assistance toward their building fund drive by donating the total proceeds of their annual cake walk which was held last Saturday night and carried over on Sunday due to the unusual amount of cakes which were donated. Special mention goes to Mrs. G. Y. Blaize, Mrs. G. E. Temple and Mrs. Theo. Tudury in their efforts and to the people who donated over one hundred cakes, the Legion says "Thanks a Million."

[The net proceeds amounted to a total of \$229.12 which will certainly be a great help to the Legion in their efforts to raise sufficient capital to build their club rooms and public pier.

In addition to the assistance given by St. Margaret's Daughters, several of the Legionnaires of their own volition had a soft drink sale at Jackson Ridge Labor Day and all of the proceeds from this sale also went for the benefit of the building fund. The sponsors of this project were the following Legionnaires: Gerald Price, Sr., and Russell Elliott with the assistance of Louis Banderet, Bryant Graman, Horace Ruhr, Osmond Blaize, Abie Colson, Ben Bourgeois, Andy Becker and Jimmy Straughn who is not a Legionnaire, however, donated the full day of his time to assist this worthy cause.

The sale of the tickets for the raffle of the Ford DeLuxe Two Door Sedan as first prize and the Mahogany boat, trailer and outboard motor as second prize is progressing rather rapidly now and it is anticipated that the sales will steadily increase as time goes on. The members have been endeavoring to contact as many prospective purchasers

as they possibly can, however, it is quite a job to see everyone, therefore, if anyone desires to purchase any tickets before a member gets around to see them, they can call any of the members and they will be glad to deliver the tickets to their home. The quicker these tickets are sold, the earlier the raffle so let's all of us take the opportunity of winning one of these fine prizes and at the same time assist the Legion in constructing their club rooms as well as the Public Pier which we all need for Bay St. Louis so badly.

Chain Letter Scheme

Leo G. Ford, local Postmaster, states that the Post Office Department has received complaints that a new chain letter scheme is spreading throughout the Nation. This scheme differs from those previously encountered in that participants are warned not to forward the chain letter through the mails, but to keep the letter and send \$2.00 to the person whose name heads the list of 10 appearing thereon.

It appears that the originators of this scheme have the erroneous belief that by not sending the letter through the mails they will escape prosecution. The department invites attention to the fact that depositing any matter, including money, for transmission through the mails in furtherance of this scheme, is a violation of 18 United States Code 336 and 338, the postal lottery and fraud statutes, and participants are subjecting themselves to possible prosecution as well as fraud order action under 39 United States Code 259 and 732.

ORTTE THEATRE SUNDAY - MONDAY "BOOMERANG"

20th Century Fox Presentation
Starring Dana Andrews

There's impact and conviction beyond common in this melodrama based on a representation of fact, in which Dana Andrews, Jane Wyatt, Lee J. Cobb and Sam Levene lead with distinction a large cast including many players recruited on the scene, a small city in Connecticut. Against a background of machine politics, police methods of obtaining confessions are shown impressively but without expressed indictment, and a courtroom sequence generates high tension with sound reason. It's first grade melodrama, likely to attract you, comparable with the best in its kind.

Based, as the audience is not told until the conclusion, on a case in the early career of U. S. Attorney General Homer Cummings, the story

A BIG DIFFERENCE

Some time ago a fellow said to me: "I've watched the Mississippi Committee of the U. S. Brewers' Foundation and their program of self-regulation. They're doing a good job!"

"Their success in separating the sale of beer from the sale of bootleg whiskey outdoes anything we expected," he said.

"For a long time people associated beer and whiskey but that situation's different today in Mississippi. People are recognizing the difference between the illegal sale of bootleg whiskey and the legal sale of beer.

the beverage of moderation. Just the other day I was telling W. W. Pierce, director of the Mississippi Committee of the U. S. Brewers' Foundation that his committee through its program of education and self-regulation was doing a good job in seeing that beer is sold only by those who obey the law and who regard their beer permits as a privilege they will not abuse.

REVEREND FATHER LOUIS STANISLAUS MARY BUTEUX

This is the first of a series of six articles, giving the life history of the Pastors of Our Lady of the Gulf Church.

Rev. Louis Stanislaus Mary Buteux, the first pastor of Bay St. Louis was born in Paris on July 2, 1808. Impressed by the example of his pious parents, this seriously inclined youth resolved to spend himself in the service of God. He entered the Seminary of St. Sulpice in Paris. Bishop Brute, the first Bishop of Vincennes, Indiana, while on tour of the French seminaries to secure clerical help for his Diocese, ordained Fr. Buteux in Paris on May 28, 1836 and Fr. Buteux returned to America with Bishop Brute to work among the missions in Indiana.

From 1837 to 1839, Father Buteux was in charge of the Catholics in Edgar County, Illinois and Vigo County Indiana. In 1839, he built a frame church at Thralls Station about five miles from Terre Haute; this church called St. Mary's of the Woods, burned down in February 1840.

Father Buteux was appointed Chaplain to the Sisters of Providence when they came to establish St. Mary of the Woods College. In the construction of the first Academy of St. Mary of the Woods, Father Buteux worked as a day laborer. In August of 1841 he left Vincennes and spent about two years in the South. He returned and asked Bishop de la Hallandiere for his exeat. The Bishop refused. Father Buteux then went to France and probably to Rome. Here he evidently had some influence, because Bishop Bazin, the successor to de

la Hallandiere, received, with his Bulls of appointment, an order to give Father Buteux his exeat. Father Buteux immediately came to Natchez and was accepted by the Sulphur Bishop Chanche. July 31, 1847 he was appointed pastor of Bay St. Louis.

Father Buteux set out from Natchez to take charge of his new parish. He reached Bay St. Louis on the night of August 8th. The following day he crossed the Bay and visited Pass Christian. On August 15th, the Feast of the Assumption, he offered what he called the first Mass at the Court House. On September 5th just before he started Mass the deed for the property on which he was to build the church arrived.

It is not quite clear whether Father Labbe actually completed the church he started in 1843. Reasonable arguments may be advanced for both sides of the question. We know that the Church at Pass Christian was built by Father Labbe; there must have been one at the Bay also, since Father Buteux made his residence here. From an article in the Sea Coast Echo, Nov. 4, 1903, written by Mrs. Mary Oliver, a personal friend of Fr. Buteux, we learn that Father Buteux on his arrival at Bay St. Louis found no church. A room in the dilapidated Court House was made appropriate through the energy of Mr. J. B. Toulme and Mr. D. R. Walker, who furnished lumber from their mills.

On September 8, 1847, the first wedding took place after Mass, and on that day Father Buteux distributed letters of subscription for the building of the new church; in the meantime he occupied the large room of the Grand Hotel.

Father Buteux immediately started catechism classes when he realized the spiritual ignorance of his people. He established the Scapular Confraternity, the Altar Society, and the Association for the conversion of sinners, in which he enrolled 300 members. He offered Mid-Night Mass on Christmas; conducted the Forty Hours Adoration; and carried out the Holy Week ceremonies in their entirety, the very year of his arrival.

On March 26, 1848, Bishop Odin of Galveston performed the ceremony for the laying of the corner stone of the new church. Within two years the church was completed. It was a brick structure of Gothic Style, measuring 165 ft. 7 inches long and 46 feet wide. From its dimensions we may well imagine that it was the largest church of the diocese at the time.

Bishop Chanche blessed the church on August 19, 1849, and Bishop Blanc of New Orleans honored the Bay with his presence for this happy occasion. Father Buteux was in his glory on this day; Father Buteux must capitalize the presence of Bishop of New Orleans, so that night there was another ceremony, the blessing of the bells, and this was performed by Bishop Blanc. The bells were named Mary and Joseph.

eph. Mrs. Annans was sponsor for the bell Mary, and Virginia Toulme was sponsor for the bell Joseph. To Buteux immediately came to Natchez and was accepted by the Sulphur Bishop Chanche. July 31, 1847 he was appointed pastor of Bay St. Louis.

St. Stanislaus College and St. Joseph's Academy are due to the zeal and labor of Father Buteux. He started the first boarding school for boys in the Diocese of Natchez.

The mission field of Father Buteux covered the entire county of Hancock and part of Harrison. From 1847 to 1850, he visited Pass Christian and the DeLisle Territory; these were relinquished when Pass Christian became a parish. He attended Waveland, Gainsville, Napoleon and Pearlpoint; Jordan River settlements and Bayou Binachoa. The long years of pioneer mission work finally sapped his strength, and in 1857 he wrote to Bishop Elder: "I hope Right Rev. Dear Sir, that in your appointments for your Diocese you will be pleased to have someone in view to fill my place. Should Almighty God spare my life I will try to hold out until this time a year hence; but I could not go much farther. I am tired in body and mind, and it would be foolish for me not to perceive that I am sinking under difficulties of various kinds."

The same year he went to France to recuperate his health, and in the meantime he kept on the lookout for priests for the diocese. Evidently Bishop Elder was unable to procure a substitute for him; so Father Buteux remained until 1859. This same year Bishop Elder wrote to him "I feel uneasy about your health. I beseech you not to let your zeal lead you into the mistake of doing a little now at the cost of a great deal afterwards. Have no scruple of leaving something undone; for the life and ability of a priest are too valuable to be abused. If you wish to have someone to help you I will make an effort to send one." Father Buteux was finally relieved of his duties when Rev. Henry LeDuc took charge of the parish on Nov. 17, 1859.

Father Buteux went to Boston, and spent the last years of his life as chaplain to several Catholic Institutions in that city. Bishop Elder paid him this final tribute: "On June 14, 1875, Rev. Louis Stanislaus Mary Buteux died in Boston... after years of fruitful labor and other years of patient suffering, still occupied with the service of souls." Father Buteux made two pilgrimages to the Holy Land, and offered Mass on the Sepulchre of Our Lord at Jerusalem. After an absence of four years he returned to Boston in 1864, and Bishop Williams appointed him as Chaplain of the Carney Hospital, kept by the Sisters of Charity. There he died on June 14, 1875.

Veterans News

Automatic increases will be paid effective Sept. 1 in the minimum allowances received by the more seriously disabled veterans enrolled in educational and training courses under Government sponsorship, Veterans Administration announced today.

The increased rates, which will be reflected on or after Oct. 1, were voted by the last session of Congress and signed into law by the President.

VA said the law requires no action by disabled trainees entitled to the higher rates because of the automatic nature of the increases.

The new law provides that a veteran enrolled in a course under the Vocational Rehabilitation Act Public Law 16, whose disability is rated at 30 percent or higher, will receive \$115 a month if he has no dependents, and \$135 if he has one dependent.

The old law allowed \$105 and \$115 for the same two categories, but, while these rates were suspended by the new schedules for the more seriously disabled, they will continue to apply to veterans with disabilities rated at less than 30 percent.

The new law raises the amounts authorized for additional dependents of veterans with disabilities of 30 percent or more. The additional allowance for one child is increased from \$15 a month to \$20 and the previous allowance of \$7 a month for each additional child is raised to \$15. No change is made in the \$14 monthly allowance for a dependent parent.

The new law does not change the basic provisions for awarding payments to disabled veterans pursuing a course in training under the Vocational Rehabilitation Act. These provisions are:

While a veteran is in training, and for two months after his employability is determined, he receives a subsistence allowance of \$65 a month if he has no dependents, or \$90 a month if he has one or more dependents, in addition to his disability compensation. In case the compensation plus the allowance do not total \$105 or \$115 for those with disabilities.

Q—Does Veterans Administration help the disabled veteran get a job after he finishes his training.

A—Yes.

Q—What is the maximum length of training a disabled veteran can get under Public Law 16?

A—The maximum is four years; however, Veterans Administration may extend the time if factors in any case warrant an additional period for rehabilitation.

Q—Must a disabled veteran go to a vocational school or may he go to a liberal arts college, a high school or similar institution under the Vocational Rehabilitation Act?

A—He may enroll in any VA-approved educational institution or training which VA has found he needs to insure his proper rehabilitation in line with his own desires.

Q—How does a veteran apply for readjustment allowance?

A—A veteran must present his original service discharge or separation paper, or if that has been lost or destroyed, a certificate in lieu of a properly authenticated copy of such paper. He must file an application on Veterans Administration Form 4-1382. An initial claim is usually filed at the same time the application is made. This claim indicates whether the veteran is unemployed, partially employed or self-employed.

WILLIAM COLMER ENTERS SENATE CONTEST

(Continued from page 1)

strated my ability to work with my colleagues and with all groups in Mississippi.

"It is obvious that there can be no conflict between the aspirants for this high office during the coming campaign on the question of White supremacy and our Southern way of life. My own record on this is well known. It has not been one of lip service as the record will show. As a member of the powerful rules committee of the House it was my privilege only last year to join with four other Southerners on that key committee to prevent the iniquitous, so-called FEPC bill from reaching the floor of the House.

"My platform for this high office will be released at a later date. It will be my purpose to discuss, from the stump, that platform and the issues which now confront the people of Mississippi and the nation in a world suffering from the economic

political and social unrest that always follows in the wake of a great war.

"I am not unmindful of the high duty and the grave responsibilities of the high office to which I aspire. I pledge my fellow Mississippians that if elected by them on November 4, I will devote my entire time, effort and whatever talents I may possess in wholesome, unselfish service to the end that I may contribute to the goal which all aspirants for this office should seek—the reflection of glory upon the name of Mississippi.

"And at the same time, I shall continue to depote my time, efforts and zeal in this larger field, to the end that the prayers of all Christian mothers may be rewarded and that the coveted goal of world peace may be realized."

—Visiting at the home of Mr. and Mrs. Robert Johnson in Washington Street for the Labor Day holidays were Mr. and Mrs. A. B. Bell, Sr., of Lafayette, La., and Raymond and James Bellard of Broussard, La.
